Brief Description of Business:

Any handyman service to include plumbing, electrical, carpentry, painting, drywall repair, concrete and flooring (Sorry... no heating or air conditioning repairs)

Concrete – install and repair: concrete walkways, patios and sidewalks

Carpentry

New – knee walls, divider walls, chair railing, crown molding, storm doors, new interior or exterior doors and hardware

Repair/Replace – remove walls, door hardware, doors & windows, moldings, exterior rotten wood

Flooring – floating floors (vinyl and engineered), hardwood floors and ceramic tile floors

Structural – sagging floor reinforcement or other structural issues

Drywall – hole repairs and textured ceiling repairs

Painting – Interior and exterior but no faux painting

Plumbing – repairs/replace – garbage disposals, dishwasher installs, water heaters (except gas), faucets, sinks, toilets and hot or cold water lines (minor bath or kitchen remodels)

Electrical – New ceiling fans, lights, chandeliers, motion sensors, dimmers, minor trouble shooting for switches lights etc.
